MAMMOTH STOCK OF SPRING
CLOTHING.

We are now manufacturing the largest and most complete STOCK of SPRING CLOTHING ever offered to the Public and by the first of March will have it completed. Our FALL SALES so far exceeded our expectations, that we were entirely out of goods and were compelled to disappoint hundreds of customers. But for the approaching season we shall endeavor to manufacture a stock that will supply all who favor us with their patronage. It is useless to boast of great bargains, as it is a fact acknowledged by all who have purchased of us, that we can and do sell clothing that pays them better and sells off cleaner than those purchased at any other house.

CALL AND WE WILL SHOW YOU THROUGH WITH PLEASURE.

• Molls—Large Sales and small profits.
